

Tile, with an archer depicting a lion

Middle Eastern Collection

Accession Nr.: **50.21.1** 

Type: **ceramics**

Date of production: later 19th - century

Place of production: **Iran**

Materials: **earthenware**

Techniques: **glazed**

Dimensions: width:15.7 cm
length: 24.6 cm

It depicts a hunter on a white horse, arrowing backwards at a lion whose head can only be seen from behind a bush. In the background you can see two buildings, in addition, the picture is almost a scene depicted in a plane, the flowers surrounding it and other plants are elaborated in detail. Hard tile, the glaze makes it diverse with its blue hues.
