Materials/Technique
s: **ceramics, glazed**

Dimensions: **height: 10 cm
width: 17 cm
diameter (mouth): 16 cm**

Crackled celadon-glazed vessel with flaring sides and spur marks. The base and its surroundings are unglazed. It came into the possession of the Hopp Museum as an exchange gift from the Museum of History of the Democratic Republic of Vietnam in 1961. Unfortunately, it broke during transport and needed repair.
