Date of production: **11– 12th century**

Place of production: **Than Hoa, Vietnam, Southeast Asia**

Materials/Technique
s: **stoneware, celadon glazed, incised**

Dimensions: **height: 7 cm
diameter: 13 cm**

Greyish-blue glazed bowl. With three engraved rings below the upper rim and another one at mid-height. The top three are intersected in twelve places by three parallel lines. Below, seven lotus-leaf-like decorations add to the already attractive overall effect. The sole and a ring running inside are unglazed. The object was given to the Hopp Museum in 1961 as an exchange gift from the Museum of History of the Democratic Republic of Vietnam.
