

Demon figure riding a horse

Southeast Asian Collection

Accession Nr.:	89.11.1 
Type:	wooden sculpture; carving
Date of production:	19 – 20th century
Place of production:	Myanmar (Burma), Southeast Asia
Materials/Techniques:	wood, carved, painted
Dimensions:	height: 33 cm

A fast galloping demon-faced figure on a white horse, with humanoid body . The carving of the sculpture gives a good sense of movement, both horse and rider are equally absorbed in it. A rather worn and damaged ensemble, which in the past may have had a decorative function as part of a larger ensemble.
