| Techniques:          | glazed                                                                                 |
| Dimensions:          | height: 6.9 cm<br>diameter (mouth): 1.4 cm<br>diameter (base): 2.3 cm                  |
| Acquisition:         | collected by Jenő Zichy                                                                |

This flat-bodied and broad-shouldered snuff bottle has a low oval base. The beauty of this item lies in its teadust-coloured, greenish brown manganese glaze coat.
