Type: metalwork; model

Date of production: 19 – 20th century

Place of production: West Sumatra, Indonesia, Southeast Asia

Materials/Technique: brass, cast, engraved, openwork
s:

Dimensions: height: 54 cm

A three-storied minang (Sumatran) house model made of copper, which can be dismantled. With its peaked, curved roof ridge and openwork side walls, it represents a typical minangkabau building type.
