Place of production: **Vietnam, Southeast Asia**

Materials/Technique
s: **wood, carving**

Dimensions: height: 19 cm
width: 6 cm
depth: 9. 2 cm

Carved wooden female figure with lotus leaf and flower held above her head. The right hand holding the lotus stem demands special attention. Her left arm is bent at one end. The tip of the left foot emerges from her long, baggy dress, creating a sense of movement. Her face turned slightly to the side, while a faint smile plays under her downcast eyes.
