Date of production: **20th century**

Place of production: **Java, Indonesia, Southeast Asia**

Materials/Technique
s: **horn, bone inlay, carved, engraved**

Dimensions: **height: 11 cm
width: 6 cm**

Object for daily use or for decoration, made of buffalo horn. The frog's head is raised high, with carved ornamentation between its bone-inlaid eyes and on its back. In addition to the characteristic notching, the 'speckles', which imitate either the original skin or perhaps a pattern, make this charming little figure even more special.
