

# Snuff bottle decorated with "thousand blossoms" design

Chinese Collection

Accession Nr.: **97.13.1** 

Type: **object for daily use; snuff bottle; pottery**

Date of production: 19th century  
Qing dynasty

Place of production: **Jiangxi province, China**

Marks: four-character iron red Qianlong mark

Materials: **porcelain**

Techniques: **overglaze decoration**

Dimensions: height: 6.4 cm  
diameter (base): 2.8 cm

The slightly broadening, flat, roundish body has a short cylindrical neck and rests on an oval base. The background of the overglaze coloured design was fulfilled with gold painting.
