

Silk tablecloth

Mongolian Collection

Accession Nr.: 65.118.1 

Type: textile; object for daily use

Date of production: 1960s

Place of production: Uzbekistan

Materials: silk

Dimensions: height: 100 cm
width: 102 cm

Large black satin silk tablecloth with colorful chain stitch silk embroidery. In white-edged squares, large yellow, burgundy, pink, purple and white stylized flowers, leaves and tendrils can be seen, which are contoured with brown thread. On the edges, there are yellow tendril motifs between a white stitched band.
