Type: **object for daily use; costumes; accessory**

Date of production: 19th century

Place of production: **Mongolia**

Materials: **bronze; leather; wood**

Dimensions: length: 22 cm

The belt set (Khalkha: xet xutga) includes a wooden knife and chopstick case covered with leather, with silver-plated handles, and flint pouch. The handle of the knife is silver-plated and covered with copper plates. The two accompanying chopsticks are missing. The leather bronzed flint pouch includes a steel starter and a white stone. A thick double leather strap is attached to a bronze wristlet belt ornament. The objects are attached to each other with string and knots.
