Dezső Bozóky hand-coloured glass diapositive. Photograph taken by Dezső Bozóky. A street on a hill in the Korean district of Jemulpo. The driver of an ox laden with wood is taking a rest on the doorstep of a more affluent house (a rice shop, according to the shop sign). A young man stands in the foreground, who half covers the coat of a woman who walks away. A Korean man is coming up the street, with another woman half covered by him. In the distance, on the hillside, the tile-roofed houses of the Japanese quarter can be seen.
