Relief fragment with the seated Buddha and an attending figure (Herakles?). The Buddha's right hand is in the gesture of fearlessness, while his left hand and the object in it are partially fragmented. He has short hair, ushnisha on the top of the head, moustache, and a circular glory. A pleated shroud covers his both shoulders and arms. Above his head is a semicircular ceiling of leaf bundles representing the bodhi tree, which is broken off on the right side. The head of the attending figure is missing.

Himalayan schist.
