| Materials:           | sandstone                                                                             |
| Techniques:          | carved                                                                                |
| Dimensions:          | height: 30 cm<br>width: 28.5 cm<br>depth: 8 cm<br>12.31 kg                            |
| Acquisition:         | donation of Imre Schwaiger                                                            |

Relief fragment, upper left quarter of the board. On the bottom right side, the figure of Tirthankara can be seen up to the waist. On the frame, swastikas are visible made of sickle and palm leaves, turning to the left.

Mottled sandstone.
