Type: **relief**

Date of production: ca. 11th c.
Period of Hindu dynasties

Place of production: **India**

Materials: **sandstone**

Techniques: **carved**

Dimensions: height: 23 cm
width: 12 cm

Acquisition: donation of Imre Schwaiger

A fragment of a relief depicting Trimurti. In the middle is Brahma's head with a beard and mustache. The left head is missing, the right is heavily worn. The arms are missing. Necklace, cord strung on the body. The coronation ornament is fragmented. Made of yellow sandstone. Shows Rajput style elements.
