s: **paper image; black and white photo on paper**

Dimensions: height: 16.3 cm
width: 24 cm

In the center of the picture is the seated figure of the Buddha, built of brick but partially collapsed between circular arched walls. A staircase decorated with carvings leads to the statue of the Buddha, and at the beginning of the staircase, a standing figure carved into an arched niche can be seen on both sides. The pedestal is decorated with reliefs in two rows above each other.
