Dimensions:	height: 17 cm width: 22.5 cm

Unknown: The large loading table in the east storage room in its original setting. Dining room of an unknown place, not made in the East, with huge furniture decorated with Japanese life and landscape paintings. Silverware and a model of a railway carriage on the "serving cabinet". Japanese objects in a cupboard and on a twisted column. A chair is set on each side of the table (the table is only used by two people at any one time.)
